Phone: +91 9381309807

Certifications

- Python – NPTEL
- Introduction to Web Development – IBM
- Amazon web service-APSSDC
- Java-NPTEL

Internship Experience

Full Stack Programming using Java

Taurius technologies

- Developed web applications using Java and other front-end/back-end technologies.
- Collaborated with teams to implement full-stack solutions.

UI/UX

Pixel Wind

- Designed user interfaces and improved user experiences for various web projects.
- Worked closely with the development team to ensure cohesive design and functionality.

Projects:

- **E-farming**
  Developed a responsive E-farming website for farmers to sell their products by online market. The website was developed using HTML, CSS, JavaScript and SQL. My role was frontend developer.
- **University management system**
  Creating webpages by using Figma tool in UI/UX design(non-coding)
